

How to find an In Network Dental Provider

1. The member would just need to go to www.myuhc.com.
2. On the landing page they click on “Find a Dentist”

3. Then the member clicks on “Employer and Individual Plans”

4. Then the member enters in their zip code where they live in and clicks on continue.

Search by your location to find a plan

Enter a street address, city & state or 5 digit zip code.

Street Address, City & State, Zip Code

Continue

5. Then the member selects “National Options PPO 20” as this is the groups Network for their dental plan

Select your dental plan near:
